

CST3 Live Trainings

Training Information:

- All of the following training is **free** with the CST3 solution!
- **Deep Dives** are designed to orient your team to the platform and how to engage in the CST3 Process
 - 90-minute Deep Dive Sessions occur during the school year and are split into Part 1 and Part 2
 - 3-hour Deep Dive Sessions occur during the summer and cover all steps of the CST3 Process
- **Topic Trainings** are 60-minutes and held monthly, including both content and Q&A
- **Office Hours** are 60 minutes and are hosted ~quarterly
- **Case Consultation** sessions are 90 minutes and hosted monthly. Case consultation sessions are led by a tier 3 team member(s) and are designed for teams to present a current case and to receive support with developing a support plan. Case consultation sessions alternate between environmental support and skill support.
- All live trainings are recorded and uploaded onto the “Professional Learning” page on the CST3 platform to be watched at any time. *Please note that any recorded training may be updated or replaced at any time. Case consultation sessions are not recorded.

2024- 2025 Schedule

Topic Training: Readiness & High-Fidelity Implementation of Tier 3

High-fidelity implementation leads to positive outcomes for students, but it doesn't happen by accident. Join us to learn how you can create systems and readiness for high fidelity and what fidelity looks like in the CST3 Solution.

- September 10th, 2024 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Deep Dive (Part 1):

This 1.5-hour deep dive is designed to help orient schools to the CST3 Solution. We will cover Readiness, Step 1, and Personalized Intervention Pathways. We encourage school teams to attend together.

- September 12th, 2024 @ 9-10:30 PST // 11-12:30pm CST ([Register Here](#))

Case Consultation: Skill Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the skill support.

- September, 26th 2024, 12:00-1:30pm PST // 2:00-3:30pm CST ([Register Here](#))

Case Consultation: Environmental Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the environmental support.

- October 3rd, 2024, 10:00-11:30am PST // 12:00-1:30pm CST ([Register Here](#))

Office Hours:

Join us for the next CharacterStrong Tier 3 office hours. These sessions are designed for schools to bring either a problem of practice or ask general implementation questions about supporting students in Tier 3 with the CharacterStrong Tier 3 Solution.

- October 10th, 2024, 10:30-11:30am PST // 12:30-1:30pm CST ([Register Here](#))

Deep Dive (Part 2):

This 1.5-hour deep dive is designed to help orient schools to the CST3 Solution. We encourage school teams to attend together. We will cover Steps 2, 3, and 4.

- October 16th, 2024 @ 9-10:30 PST // 11-12:30pm CST ([Register Here](#))

Topic Training: Increasing Your School's Capacity to Deliver Tier 3 Supports

We can feel burdened by how many students appear to need tier 3 support and the resources that we have to support them. In this training, we will cover decision rules and increasing the workforce to support tier 3.

- October 31st, 2024 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Topic Training: Tier 3 Team Effectiveness

To meet the needs of students who require tier 3 supports, we need effective teams. Effective teaming practices allow schools to achieve high fidelity and outcomes. Come learn about the practices and tools to help achieve effective teaming practices.

- November 13th, 2024 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Case Consultation: Skill Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the skill support.

- November, 14th 2024, 10:00-11:30am PST // 12:00-1:30pm CST ([Register Here](#))

Office Hours:

Join us for the next CharacterStrong Tier 3 office hours. These sessions are designed for schools to bring either a problem of practice or ask general implementation questions about supporting students in Tier 3 with the CharacterStrong Tier 3 Solution.

- December 3rd, 2024, 10:30-11:30am PST // 12:30-1:30pm CST ([Register Here](#))

Topic Training: Functional Behavior Assessment

In this training, we will cover functions of behavior and the methods and data collection procedures for a Functional Behavior Assessment. This assessment leads to generating a hypothesis that informs the development of a behavior support plan.

- December 17th, 2024 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Case Consultation: Environmental Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the environmental support.

- December 18th, 2024, 11:00-12:30pm PST // 1:00-2:30pm CST ([Register Here](#))

Case Consultation: Skill Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the skill support.

- January 23rd, 2025, 10:00-11:30am PST // 12:00-1:30pm CST ([Register Here](#))

Topic Training: Environmental Supports for Students with High-Intensity Behaviors

Based on the data collected through a Functional Behavior Assessment, teams can provide Environmental Support to students with high-intensity behaviors. We will review the components of an environmental support - prevention, teaching, and response. (*It is recommended to attend the previous Topic Training: Functional Behavior Assessment)

- January 29th, 2025 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Deep Dive (Part 1):

This 1.5-hour deep dive is designed to help orient schools to the CST3 Solution. We will cover Readiness, Step 1, and Personalized Intervention Pathways. We encourage school teams to attend together.

- February 4th, 2025 @ 9-10:30 PST // 11-12:30pm CST ([Register Here](#))

Case Consultation: Environmental Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the environmental support.

- February 6th, 2025, 10:00-11:30am PST // 12:00-1:30pm CST ([Register Here](#))

Office Hours:

Join us for the next CharacterStrong Tier 3 office hours. These sessions are designed for schools to bring either a problem of practice or ask general implementation questions about supporting students in Tier 3 with the CharacterStrong Tier 3 Solution.

- February 11th, 2024, 10:30-11:30am PST // 12:30-1:30pm CST ([Register Here](#))

Topic Training: Skill Supports for Students with Mental Health Needs

Students with mental health needs benefit from the support of a skill-based instructional plan. We will review the top needs assessment which allows educators to gather information to make a decision about the top mental health need and the best support plan for students. We will also come to an understanding of common elements of evidence-based practice to inform the scope and sequence of skill supports.

- February 20th, 2025 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Deep Dive (Part 2):

This 1.5-hour deep dive is designed to help orient schools to the CST3 Solution. We encourage school teams to attend together. We will cover Steps 2, 3, and 4.

- March 5th, 2025 @ 9-10:30 PST // 11-12:30pm CST ([Register Here](#))

Case Consultation: Skill Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the skill support.

- March 6th, 2025, 10:00-11:30am PST // 12:00-1:30pm CST ([Register Here](#))

Topic Training: Developing Behavior Support Plans & De-escalation Planning

Join us for this training where we cover how to develop a behavior support plan for students with high-intensity behaviors or mental health needs. We will also discuss planning for de-escalation when that is a necessary component in a behavior support plan.

- March 26th, 2025 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Case Consultation: Environmental Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the environmental support.

- April 2nd, 2025, 10:00-11:30am PST // 12:00-1:30pm CST ([Register Here](#))

Office Hours:

Join us for the next CharacterStrong Tier 3 office hours. These sessions are designed for schools to bring either a problem of practice or ask general implementation questions about supporting students in Tier 3 with the CharacterStrong Tier 3 Solution.

- April 16th, 2024, 10:30-11:30am PST // 12:30-1:30pm CST ([Register Here](#))

Topic Training: Collaborating with Families & Mental Health Providers

Involving families, mental health providers, and other trusted adults in a student's support plan is critical for students to make progress and achieve goals. In this training, we will showcase the role of families and providers in tier 3 supports.

- April 23rd, 2025 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Topic Training: Tier 3 Data-Based Decision-Making

In this training, we will review the types of critical data needed in tier 3 to make decisions. We will show you tools that can be used to accurately monitor student progress, the fidelity of the support they receive, and the implementation of tier 3 practices.

- May 8th, 2025 @ 9-10:00 PST // 11-12:00pm CST ([Register Here](#))

Case Consultation: Skill Support Pathway

Join us for the next CharacterStrong Tier 3 case consultation session. These sessions are designed for teams to present a current case and to receive support with developing a support plan using the CharacterStrong Tier 3 Solution. In this case consultation session, we will collaborate to increase educator competency for the skill support.

- May 13th, 2025, 10:00-11:30am PST // 12:00-1:30pm CST ([Register Here](#))

Deep Dive (Full Training):

This 3-hour deep dive is designed to help orient schools to the CST3 Solution. With this extended deep dive, we will cover readiness, all steps of the CST3 Process, and Personalized Intervention Pathways. We encourage school teams to attend together.

- June 18th, 2025 @ 9-12:00 PST // 11-2:00pm CST ([Register Here](#))

Deep Dive (Full Training):

This 3-hour deep dive is designed to help orient schools to the CST3 Solution. With this extended deep dive, we will cover readiness, all steps of the CST3 Process, and Personalized Intervention Pathways. We encourage school teams to attend together.

- August 7th, 2025 @ 9-12:00 PST // 11-2:00pm CST ([Register Here](#))
